

Phosphor Ice Fog

Date

1986

Primary Maker

Norie Sato

Medium

Lithograph and phosphors on aluminum

Description

Gray parallelogram rises vertically through the center--lighter gray shape with multicolored marks cuts down through it. Across the bottom of the image stretching from lower left to right center is a brushy zone of gray, red, yellow, white and blue marks.

Dimensions

Overall (sheet and image): 22 x 28 in. (55.9 x 71.1 cm)
